

7471 Kings Mountain Rd

Priced at
\$1,189,000

MLS 403083

Private, wooded lot • 6 Bedrooms • 5.5 Bath • Built 2005

REDUCED \$161K! Great light greets you as you make your way into this large home on a private, wooded lot in the gated and guarded Old Overton subdivision. Formal living room with coffered ceiling.

Large dining room. Two-story family room with fireplace and built-in cabinetry. Stainless kitchen with 6 burner stove, built-in refrigerator, warming drawer, convection oven and granite countertops.

The open floor plan of the kitchen opens to a keeping room with fireplace. Small office area off kitchen. The large master bedroom has a tray ceiling and sitting area. Master bath with dual shower heads. Level two has 4 bedrooms and 3 baths. The finished basement has a large media/rec room, bedroom, bath and wet bar with icemaker and mini-fridge. 2 car main level garage, 3 car basement garage and front parking pad. Extras include a security system, central vacuum, dual water heaters, 2 fireplaces and interior fire sprinkler system. So much house for the money. Call today!
